SUB: Constitution of **Industry Institute Interaction Cell** for the year 2025-26

Ref: AICTE Approval process

An Industry Institute Interaction Cell (IIIC) at the college level has been constituted for the year 2025-26. The function of the cell is to promote interaction between the academic field and the professional field. Students are provided an opportunity to interact with the industry and at the same time provide a platform for industry representatives to share their best practices and cutting edge technologies to students. It helps in bridging the gap between the industry, the real world and the institute. It also facilitates student internship, training and placement, industrial visits and lectures from industrial expert. The chairman of this committee is authorized to sign the MOU with the industry after the prior approval from the DCTE.
